Lori Versteegen Ryan is assistant professor of management and research director of the Corporate Governance Institute at San Diego State University. She received her Ph.D. from the University of Washington. Her current research focuses on the intersection of corporate governance and ethics, with an emphasis on the roles and responsibilities of institutional and individual investors.

Marguerite Schneider is assistant professor of management at the School of Management, New Jersey Institute of Technology. She received her Ph.D. in organization management from Rutgers University. Her primary areas of research are governance, organizational leadership, and public sector organizations.
